could be displayed on the wall in the style of a painting or a print, rather than kept rolled up as a long, narrow reference piece.

V&A · Embroidery - A History Of Needlework Samplers

Tambour beading is a very ancient technique, with embroideries being imported as early as the 16th century. Another early reference dates back to the 18th century, where it found its way to Europe from its roots in Asia. All the finest examples of tambour beading were imported to France and England from places like India and Persia and China.
