## CHEVROLET 6.6L/400 Chevy small block Gen I - Free Shipping ...

In 1970, Chevrolet introduced the 400-cubic-inch small-block engine into this environment, offering it for truck and large passenger car use. Although there were no high-performance editions of the 400, it is currently popular to rebuild and customize the 400 for high-performance applications, partially due to its availability and price.
