Listening is so important that many top employers provide

listening skills training for their employees.

This is not surprising when you consider that good listening skills can lead to better customer satisfaction, greater productivity with fewer mistakes, and increased sharing of information

that in turn can lead to
more creative and
innovative work.

*Listening Skills /
Skills You Need*

Listening is the process
of hearing words and
recognizing the
message. Most people
focus heavily on reading
and writing and turn a
blind eye to speaking
and listening.
