A fine anthology, well selected, well ordered, and altogether a pleasure to read. The editors have chosen twenty stories by twenty different writers from all over Africa, grouping them geographically into four different sections: West, East, North and Southern Africa.... They have done a particularly good job of balancing the work of lesser-known, younger writers with established figures ...

### **African Short Stories - Google Books**

Tshuma's choice of language allows the story to flow into a front row peak into the lives and interactions of an African family plagued by domestic violence. The perpetrator is father and the abuse is narrated through the eyes of father's child. The child feels guilty for what father did to mother.

**African Roar: An Eclectic Anthology of African Authors by ...**

It is good to be handed a book that you might not have picked out for yourself. I confess that this is what happened for me with a collection of short stories (first published 1978, revised 1993). This collection, A Century of South African Short Stories, gave me something to work away at, with its chronological span from the late nineteenth century to the close of the twentieth century.
