The sensational biography of Princess Diana, written with her cooperation and now featuring exclusive new material to commemorate the 20th anniversary of her death. When Diana: Her True Story was first published in 1992, it forever changed the way the public viewed the British monarchy.

A biography of Diana including family photographs, many color, never before released.

The sudden and tragic death of Princess Diana caused the world to reflect on how much this singular woman meant to us all. This new edition of her life story -- which includes Diana's personal recollections in her own words, as well as an account of the events surrounding her death -- poignantly strengthens her hold on our hearts. From her fairy-tale wedding and the births of her two wonderful boys to the stunning collapse of her marriage, Diana's luminous but troubled life transfixed millions. Despite enduring heartbreak, illness, and depression, she never wavered in her commitment to the less fortunate, or in her determination to make a better life for herself and her sons. This revealing book is the closest we will ever come to her autobiography -- a lasting and powerful testament to her courage and spirit.

A Commemorative Edition with new material including "Her Own Words". c1997.

A #1 New York Times Bestselling Author25th Anniversary EditionTwenty-five years after Diana: Her True Story was published, biographer Andrew Morton has revisited the secret tapes he made with the late princess to reveal startling new insights into her life and mind. This fully revised edition of his groundbreaking biography is the closest we will ever come to an autobiography of Diana, an icon in life and a legend in death.

An updated version of the Princess of Wales' biography, with a new chapter covering recent events and 25 additional colour photographs which have never previously been published.

THE SUNDAY TIMES NUMBER-ONE BESTSELLER. A reissue of this classic title brought up to date with never-before-published material from the original taped interviews and a new introduction by Andrew Morton. This edition reflects on the extraordinary circumstances surrounding the original publication, and on the long-term legacy of Diana, the woman who helped reinvigorate the royal family, giving it a more emotional, human face, and thus helping it move forward into the 21st century.

A NEW YORK TIMES BESTSELLER. Sunday Times bestselling author Andrew Morton reveals new information and sources that totally transform our perception of Wallis Simpson. Wallis in Love brings a fascinating new perspective on the 20th century's most controversial royal scandal. Andrew Morton's impeccable research and unerring skill for riveting storytelling combine to present a strong case for a new and startling reveal: that the woman who rooked the world with her uncompromising passion for the Prince of Wales may have fooled everyone by keeping the object of her true passion hidden away... From her relatively lowly beginnings in America - where young Wallis and her mother were dependent on her domineering and powerful Uncle Sol, to her rise through the social ranks and her determination to one day beat men at their own game - to the ultimate conquest of the Prince of Wales, Morton paints a vivid and multi-faceted picture of a compelling, ambitious and often hard-hearted woman, who may have won the jewel in the British crown but very possibly at the expense of her true happiness. Wallis in Love reveals the men Wallis truly loved, the men who broke her heart - and the hearts she broke in turn. In this vivid, fresh and frankly amazing portrait of the Duchess of Windsor, Morton draws on interviews, secret letters, diaries and never before seen or heard primary sources. From the day she was born in a ramshackle cottage in the hills to revealing what really happened the night her husband died, Morton paints a fresh and enticing portrait of the Duchess of Windsor.

When Andrew Morton's world-famous biography, Diana: Her True Story, was first published, it caused a media frenzy, and shook the British Establishment to its foundations. Later revealed as having been written with the Princess's full co-operation, this international bestseller is now widely regarded as her official biography. Yet it was not the full story, as in all the sound and fury of its publication, Diana began a journey - a courageous evolution from life as a downtrodden wife and reluctant royal to a self-confident and independent modern woman. Diana: In Pursuit of Love follows this journey, picking up the story where Andrew's first book left off and uses new sources and material as well as a wealth of previously unpublished matter and 16 pages of stunning photos. The book reveals the stories of figures such as her renowned lover James Hewitt, her butler Paul Burrell and Prince Charles's valet, Michael Fawcett, while intriguing comments that Diana made to Morton in taped conversations become extremely important in view of subsequent events. In Pursuit of Love is an honest, unbiased account of one of the most admired, influential figures of our era and the definitive study of Diana.

"For the millions who adored the People's Princess, this lavish book celebrates Diana Spencer's life in pictures. Page after page of inside photos from the legendary National Geographic archives document the royal's most memorable moments in the spotlight; a luminous, personal remembrance by Diana friend and biographer Tina Brown adds context and nuance to a poignant life twenty years after her tragic death. Float down memory lane through more than 100 remarkable images of Diana, from her days as a schoolgirl to her engagement to Prince Charles, the birth of Princes William and Harry, and her life in the media as an outspoken advocate for the poor, the sick, and the downtrodden. This elegant book features reflections from those who knew her best, recollections from dignitaries and celebrities like Nelson Mandela and Elton John, and personal insight through the princess's own words. Published to commemorate the twentieth anniversary of Diana's death, this richly illustrated book is a beautiful ode to one of the world's most beloved women."--Provided by publisher.

Now in paperback, the sequel to DIANA: HER TRUE STORY, which looks at the life of the Princess of Wales following her official separation from Prince Charles. Includes a new chapter.
