First They Killed My Father (2017) - Full Cast & Crew - IMDb
About the Film Starring Sareum Srey Moch, Phoeung Kompheak, Sveng Socheata, Netflix produced the 2017 film adaptation of First They Killed My Father, an unflinching portrayal of the Khmer Rouge ' s reign of terror and genocide, from the view of a five-year-old survivor cut off from her family in 1975.

Repackaged in a new tie-in edition to coincide with the Netflix film produced and directed by Angelina Jolie, a moving story of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot ' s brutal regime. Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights, and sassing her parents. While her beautiful mother worried that Loung was a troublemaker—that she stomped around like a thirsty cow—her beloved father knew Loung was a clever girl. When Pol Pot ' s Khmer Rouge army stormed into Phnom Penh in April 1975, Ung ' s family fled their home and moved from village to village to hide their identity, their education, their former life of privilege. Eventually, the family dispersed in order to survive. Loung trained as a child soldier in a work camp for orphans, while other siblings were sent to labor camps. As the Vietnamese penetrated Cambodia, destroying the Khmer Rouge, Loung and her surviving siblings were slowly reunited. Bolstered by the shocking bravery of one brother, the courage and sacrifices of the rest of her family—and sustained by her sister ' s gentle kindness amid brutality—Loung forged on to create for herself a courageous new life. Harrowing yet hopeful, insightful and compelling, this story is truly unforgettable.

Chronicles the brutality of the Khmer Rouge in Cambodia, from the author's forced "evacuation" of Phnom Penh in 1975 to her family's subsequent movements from town to town and eventual separation.

One of seven children of a high-ranking government official, Loung Ung lived a privileged life in the Cambodian capital of Phnom Penh until the age of five. Then, in April 1975, Pol Pot's Khmer Rouge army stormed into the city, forcing Ung's family to flee and, eventually, to disperse. Loung was trained as a child soldier in a work camp for orphans, her siblings were sent to labor camps, and those who survived the horrors would not be reunited until the Khmer Rouge was destroyed. Harrowing yet hopeful, Loung's powerful story is an unforgettable account of a family shaken and shattered, yet miraculously sustained by courage and love in the face of unspeakable brutality.

After enduring years of hunger, deprivation, and devastating loss at the hands of the Khmer Rouge, ten-year-old Loung Ung became the "lucky child," the sibling chosen to accompany her eldest brother to America while her one surviving sister and two brothers remained behind. In this poignant and elegiac memoir, Loung recalls her assimilation into an unfamiliar new culture while struggling to overcome dogged memories of violence and the deep scars of war. In alternating chapters, she gives voice to Chou, the beloved older sister whose life in war-torn Cambodia so easily could have been hers. Highlighting the harsh realities of chance and circumstance in times of war as well as in times of peace, Lucky Child is ultimately a testament to the resilience of the human spirit and to the salvaging strength of family bonds.

A major film, co-written and directed by Angelina Jolie Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights and being cheeky to her parents. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Loung's family fled their home and were eventually forced to disperse to survive. Loung was trained as a child soldier while her brothers and sisters were sent to labour camps. The surviving siblings were only finally reunited after the Vietnamese penetrated Cambodia and started to destroy the Khmer Rouge. Bolstered by the bravery of one brother, the vision of the others and the gentle kindness of her sister, Loung forged on to create for herself a courageous new life. First They Killed My Father is an unforgettable book told through the voice of the young and fearless Loung. It is a shocking and tragic tale of a girl who was determined to survive despite the odds.

This bracing new nonfiction book by the young superstar E ´ douard Louis is both a searing j ' accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father This bracing new nonfiction book by the young superstar Édouard Louis is both a searing j ' accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father. Who Killed My Father rips into France ' s long neglect of the working class and its overt contempt for the poor, accusing the complacent French—at the minimum—of negligent homicide. The author goes to visit the ugly gray town of his childhood to see his dying father, barely fifty years old, who can hardly walk or breathe: " You belong to the category of humans whom politics consigns to an early death. " It ' s as simple as that. But hand in hand with searing, specific denunciations are tender passages of a love between father and son, once damaged by shame, poverty and homophobia. Yet tenderness reconciles them, even as the state is killing off his father. Louis goes after the French system with bare knuckles but turns to his long-alienated father with open arms: this passionate combination makes Who Killed My Father a heartbreaking book.

Chanrithy Him felt compelled to tell of surviving life under the Khmer Rouge in a way "worthy of the suffering which I endured as a child." In a mesmerizing story, Chanrithy Him vividly recounts her trek through the hell of the "killing fields." She gives us a child's-eye view of a Cambodia where rudimentary labor camps for both adults and children are the norm and modern technology no longer exists. Death becomes a companion in the camps, along with illness. Yet through the terror, the members of Chanrithy's family remain loyal to one another, and she and her siblings who survive will find redeemed lives in America. A Finalist for the Kiriyama Pacific Rim Book Prize.

Repackaged in a new tie-in edition to coincide with the Netflix film produced and directed by Angelina Jolie Pitt, a moving story of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot ' s brutal regime. Soon to be a feature film on Netflix directed and produced by Angelina Jolie Pitt, an unforgettable narrative of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot ' s brutal regime. Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights, and sassing her parents. While her beautiful mother worried that Loung was a troublemaker—that she stomped around like a thirsty cow—her beloved father knew Loung was a clever girl. When Pol Pot ' s Khmer Rouge army stormed into Phnom Penh in April 1975, Ung ' s family fled their home and moved from village to village to hide their identity, their education, their former life of privilege. Eventually, the family dispersed in order to survive. Loung trained as a child soldier in a work camp for orphans, while other siblings were sent to labor camps. As the Vietnamese penetrated Cambodia, destroying the Khmer Rouge, Loung and her surviving siblings were slowly reunited. Bolstered by the shocking bravery of one brother, the courage and sacrifices of the rest of her family—and sustained by her sister ' s gentle kindness amid brutality—Loung forged on to create for herself a courageous new life. Harrowing yet hopeful, insightful and compelling, this story is truly unforgettable.

Concluding the trilogy that started with the bestselling memoir First They Killed My Father, Loung Ung describes her college experience and her first steps into adulthood, revealing her struggle to reconcile with her past while moving forward towards happiness. After the violence of the Khmer Rouge and the difficult assimilation experience of a refugee, Loung ' s daily struggle to keep darkness, anger, and depression at bay will finally find two unexpected allies: the empowering call of activism, and the redemptive power of love. Lulu in the Sky is the story of Loung ' s journey to a Cambodian village to reconnect with her mother ' s spirit, to a vocation that will literally allow her to heal the landscape of her birth, and to the transformative influence of a supportive marriage to a loving man.
