Simon Dolan: The measures imposed by the UK Government in March were the most draconian in living history, instantly making life unrecognisable from what the British public once knew. Within weeks the devastating effect lockdown would have on the economy and the livelihoods of thousands of people was clear, and the longer it went on, the more outraged I became. It is now widely recognised that ...

In his riotous debut collection, Ant Farm, Simon Rich found humor in some of life’s most desperate situations. Now this former editor of The Harvard Lampoon and current writer for Saturday Night Live has returned to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy (“Is there a face fairy?”) and his initial reaction to the “Got-your-nose” game (“Please just kill me. Better to die than to live the rest of my life as a monster”). He goes on to present Count Dracula’s desperate Match.com profile (“I am normal human looking for human woman to come to castle. I am normal, regular human”). Later, he gets inside the heads of two firehouse Dalmatians who can’t understand their masters’ compulsion to drive off to horrible fires every day. And in the final chapter, he tackles some of life’s biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . . Praise for Simon Rich’s Ant Farm “Ant Farm has an imaginative power that can trigger snort-fests. . . . Ferociously creative, this book is for readers craving both smart humor and belly laughs.” –People (four stars) “Savagely funny.” –The New York Times “Hilarious. Open this book anywhere, begin reading, and you will laugh.” –Jon Stewart “Ant Farm is what all humor books should be: full of brief, high-concept musings that you wish you’d thought of yourself.” –Time Out New York “A satirical salmagundi that bites back . . . Imaginative premises abound. . . . As unpredictable as YouTube, as in your face as MySpace.” –Publishers Weekly

This is a long overdue analysis of Yves R. Simon’s profound contribution to the theory and practice of democracy. Prominent scholar Vukan Kuic, who has edited several of Simon’s posthumous volumes, analyzes Simon’s treatment of the functions of government, his theories of democratic liberty and equality, and his concerns about the problems that modern technology presents for democracy.

Will Dimple and Rishi find their happily ever after? Find out in this funny, romantic, endlessly charming enovella companion to the New York Times bestseller When Dimple Met Rishi! Dimple Shah has a lot of opinions about marriage, but they boil down to this: It’s not for her. Sure, she loves her boyfriend, Rishi, but why does she need to validate that with an institution that has historically never favored the woman? Why go through all that hassle? Rishi Patel deeply disagrees. He believes in the power that comes with combining love and tradition, and when the time comes, wants nothing more than to honor those things in a huge celebration with his friends and family. He knows Dimple loves him, but in hearing her rant about how marriage is a “construct of hegemonic masculinity” for the millionth time, a small, niggling part of him worries that it’s not the institution of marriage Dimple has a problem with; maybe it’s him. The two lovebirds find themselves at a philosophical impasse. Can they find a way to work it out, or does kismet have other plans?

After a riotous debut collection, Ant Farm, Simon Rich returns to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy (“Is there a face fairy?”) and his initial reaction to the “Got-your-nose” game (“Please just kill me. Better to die than to live the rest of my life as a monster”). He gets inside the heads of two firehouse Dalmatians who can’t understand their masters’ compulsion to drive off to horrible fires every day (“What the hell is wrong with these people?”). And in the final chapter, he tackles one of life’s biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . .

"Now, for the first time ever, Simon's complete life story is collected in one volume with a new introduction and afterword"--Jacket.

Acclaimed music writer Robert Hilburn’s “epic” and “definitive” (Rolling Stone) biography of music icon Paul Simon, written with Simon’s full participation—but without his editorial control—that “reminds us how titanic this musician is” (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like “The Sound of Silence,” “Bridge Over Troubled Water,” “Still Crazy After All These Years,” and “Graceland” have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this “brilliant and entertaining portrait of Simon that will likely be the definitive biography” (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon’s friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon’s long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon’s search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. “As engaging as a lively American tune” (People), Paul Simon is a “straight-shooting tour de force...that does thorough justice to this American prophet and pop star” (USA TODAY, four out of four stars). “Read it if you like Simon; read it if you want to discover how talent unfolds itself” (Stephen King).

"Simon Thorn is a hero worthy of a young Harry Potter, and readers are bound to be delighted." --Booklist on Simon Thorn and the Wolf's Den For fans of Rick Riordan and Spirit Animals, this thrilling follow-up to Simon Thorn and the Viper's Pit continues the adventures of a boy who can shapeshift into an animal. Simon Thorn has only recently discovered that he's an Animalgam, a member of a secret race of people who can shift into animals, and found a home where he truly belongs. But not everything is as good as it seems. Simon's evil grandfather, Orion, is bent on taking over the entire animal kingdom, and to do so, he'll need to gather the pieces of a terrible weapon--one that could shred the very foundations of the Animalgams' world. . . unless Simon can gather the pieces first. So when Simon's dolphin Animalgam friend Jam is summoned home to the underwater kingdom's headquarters, Avalon, Simon sees it as an opportunity to secure another piece. But as soon as he and his friends arrive in Avalon, their search is complicated by Jam's strict family--and a potential traitor. Can they locate the piece before it falls into Orion's hands and puts the entire underwater kingdom at risk? With plenty of action and adventure and characters full of heart, this story is perfect for fans of Rick Riordan and the Spirit Animals series. Don't miss the other books in the Simon Thorn series: Simon Thorn and the Wolf's Den Simon Thorn and the Viper's Pit Simon Thorn and the Shark's Cave

Simon is a wealthy womanizer who boasts that he will never marry. So why did he bid for bland and modest Emily at a charity auction? To fend off the crowd of women who want him, of course! Emily initially didn't mind that Simon, handsome though flirtatious, only saw her as his bodyguard. But once she got to know him, she was filled with a warm feeling of love like she'd never experienced before. He's out of her league if she stays the way she is, and so begins Emily's transformation out of baggy clothes!
