The fuel filter on your Holden Statesman is designed to remove any harmful dirt or debris from the fuel before it enters the fuel injectors. It is usually located with the fuel pump inside the fuel tank or in the fuel line between the fuel tank and the fuel rail. They need to be replaced at the correct

In July 2001, a recall was issued for certain Holden WH Statesman and Caprice vehicles that were manufactured between June 1999 and March 2001. In these vehicles, an interruption of the electrical current to the fuel pump relay, fuel pump connectors and low-beam headlight relay could cause the fuel pump and low-beam lights to fail.

Recalls and faults: Holden WH Statesman/Caprice (1999-03)

The Holden Caprice is a full-sized car which was produced by Holden in Australia from 1990 to October 2017. The similar Holden

Download Free Holden Wh Statesman Fuel Relay Diagram

Statesman, which was also introduced in 1990 as a model below the Caprice, was discontinued in September 2010. Between 1971 and 1984, Holden marketed their long-wheelbase sedans under the Statesman marque.. Statesman and Caprice are essentially long-wheelbase variants ...
