Hubbard & O'Brien is the only book that motivates students to learn economics through real business

Download Free Instructors Glenn Hubbard Anthony

Patrick. The #1 question students of economics ask themselves is: "Why am I here, and will I ever use this"? Hubbard & O'Brien answer this question by demonstrating that real businesses use economics to make real decisions daily. This is motivating to all students, whether they are business majors or not. All students can relate to businesses they encounter in their everyday lives. Whether they open an art studio, do social work, trade on Wall Street, work for the government, or bartend at the local pub, students will benefit from understanding the economic

Download Free Instructors Glenn Hubbard Anthony

forces behind their work.

Real examples. Real companies. Real business decisions. Macroeconomics is the most engaging introductory economics resource available to students today. Using real businesses examples to show how managers use economics to make real decisions every day, the subject is made relevant and meaningful. Each chapter of the text opens with a case study featuring a real business or real business situation, refers to the study throughout the chapter, and

Download Free Instructors Glenn Hubbard Anthony

Patrick concludes with An Inside Look--a news article format which illustrates how a key principle covered in the chapter relates to real business situations or was used by a real company to make a real business decision. Solved problems in every chapter motivate learners to confidently connect with the theory to solve economic problems and analyse current economic events.

For Principles of
Macroeconomics courses at

relevance of economics
through real-world business

Download Free Instructors Glenn Hubbard Anthony

Patrick One of the challenges of teaching Principles of Macroeconomics is fostering interest in concepts that may not seem applicable to students' lives. Macroeconomics, Fifth Edition makes economics relevant by demonstrating how real businesses use economics to make decisions every day. Regardless of their future career path—opening an art studio, trading on Wall Street, or bartending at the local pub—students will benefit from understanding the economic forces behind their work. This program provides a better teaching and learning experience—for you and your

Make the link between theory and real-world easier for students with the most up-to-date Money and Banking text on the market today!
Hubbard/O'Brien's textbook

Download Free Instructors Glenn Hubbard Anthony

Patrick presents Money, Banking, and the Financial System in the context of contemporary events, policy, and business with an integrated explanation of today's financial crisis. Reviewers tell us that Hubbard/O'Brien helps make the link between theory and real-world easier for students! The second edition retains the modern approach of the first edition, while incorporating several changes to address feedback from instructors and students and also to reflect the authors' own classroom experiences. Available with MyEconLab! MyEconLab is a powerful assessment and tutorial

Download Free Instructors Glenn Hubbard Anthony

Patrick system that works hand-in-hand with Money and Banking. MyEconLab includes comprehensive homework, quiz, test, and tutorial options, where instructors can manage all assessment needs in one program.

Most students go to work in a business setting after graduation and, although business students will have multiple opportunities to see economic principles in action, students from other disciplines may not. The book aims to provide those students with an understanding of the economic forces behind their work.
