9780824525293: Intimacy with God: An Introduction to ...

First, let me say that I rate Intimacy With God: An Introduction to Centering Prayer a very good book on the subject of centering (or contemplative) prayer. I think it shares and teaches legitimate tools (techniques) that can be used to help facilitate prayerful union with God, but I don't think this book is a "how to" manual of sorts.

Intimacy with God: An Introduction to Centering Prayer ...

Scripture shows us that God is intimate with those who trust him. The more we trust God, the more intimately we come to know him. A felt distance from God is often due to a disruption in trust, such as a sin or disappointment. This reality is vitally important to understand. As Christians, we want to experience intimacy with God.

Introduces centering prayer, a Christian-based meditation practice, and explains the process, history, underlying principles, and barriers that can occur.

What does it mean to pursue an intimate relationship with God? intimacy, obedience, and the miraculous as a blueprint for all believers. Combining sound biblical teaching with keen insight and compelling personal accounts from others, Dr. Clark invites us to go deeper by exploring the following questions: How do we achieve true intimacy in our relationship with God? What does it mean to express faith that results in the miraculous? What does the Bible say about the balance between obedience and grace? A clear understanding of the integral relationship between intimacy and obedience provides a framework in today ' s world for glorifying God, particularly through the miraculous, as Dr. Clark has so profoundly demonstrated during his many years of ministry. He longs for you to renew your knowledge of God ' s deep love for His children and how fervently God desires a life of intimate friendship with you.

In Drawing Near, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice-just as we would practice anything we hope to improve-our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God, but few base their conclusions on a biblical theology of intimacy. In this volume, Tim Anderson develops a biblical and holistic portrait of nearness to God, exploring key themes like God's Trinitarian union, the fall, God's fatherhood, marriage imagery, suffering, and our relationship with the Holy Spirit. A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters. Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture.

A Christian believes that God's Holy Spirit indwells them, and that through Christ they have a relationship with God. But for many of us the experience of that relationship varies in intensity, our devotion seemingly affected by the external factors that make up our life. In this book John D. Hannah examines the nature of the spiritual life, and argues that while our Christian walk is bound to traverse peaks and valleys, there is a lifestyle we can put into practise that allows us to focus on the faithfulness of God's promises. This does not entail relying on one's own strength but emphasises God's Word, prayer and the church family as blessings through which to cultivate intimacy with God.

Live out a 'radical reliance' on God. When it is forgotten that God belongs at the center of all we do, Christianity becomes a task maintained by responsibilities and requirements. God becomes a distant figure in our lives. Joseph Stowell has written Far From Home to help readers regain a sense of intimacy and reliance upon the God of the universe.

Who is God? It ' s a question people have asked since the onset of Creation. And even after thirteen years in ministry, Billy Humphrey was confronted one day with the fact that he didn ' t really know God--not intimately, not deeply, not in the way his heart craved. In To Know Him he describes his incredible journey into the knowledge of God that transformed every area of his life. God has designed each part of our lives to teach us spiritual truths about Himself. This book offers a fresh revelation of God ' s heart by addressing the question " Who is God? " in marriage, in parenting, in finance, in work, and in ministry. Once you know and see God in each area of your life, it will completely and radically change the way you see the world.

What if you could experience a personal retreat in the truest sense of the word personal: on your own time, in your own way, in a location of your choosing? With Retreat in the Real World by Andy Alexander, SJ, and Maureen McCann Waldron, a personal Ignatian retreat is literally no farther away than your fingertips. This 34-week retreat can be started at any point in the calendar year, can be done anywhere, and can be experienced on your own or

in conjunction with others. Each of the weeks includes background information, a simple reflection, prayer helps, and Scripture readings, along with beautiful photography by Don Doll, SJ. This highly popular personal retreat was originally offered online through Creighton University's Online Ministries.

There is no greater intimacy than "Intimacy with God". Establishing an intimate relationship with God is one of the best relationships you could ever have. I was taught this by my late Grandmother, and have since established my own personal intimate relationship with God. However, it wasn't until I reached the mature age of 30 that I realized what intimacy with God truly was. It was during many trials and tribulations of my life that caused me to seek God with my whole heart and surrender my life to Him. Before I truly established intimacy with God, I had drifted so far from Him and was living a life that was displeasing to Him. One day when I was at my lowest, I began to reflect on the things that my Grandmother had instilled in me at a very early age. I found myself on my knees crying out to God for His help. I found a church home and started attending Bible study, reading the Bible for myself, and meditating on the Word of God, and obeying His Word. The Bible tells us in Proverbs 22:6, "Train up a child in the way he should go, and when he is old, he will not depart from it". In this her first book, Tonya Raby shares her personal testimony and some of her life's experiences while on her journey of establishing "Intimacy with God". She shares scriptures from what she calls her personal toolbox (the Bible) to better help you understand how you too can establish an "Intimate Relationship with God".

Abstract: This paper analyzes whether the introduction of a contemplative prayer practice in an American Protestant church will help participants develop greater spiritual intimacy with God. Scripture bears witness that God desires to have an intimate, personal relationship with us through the indwelling Holy Spirit (John 14:15-27). Christ instituted the Church and apportioned spiritual gifts to each of its members to build up the body in a loving relationship of unity in the faith under the headship of Christ (Ephesians 4:7-16). Recent polling data reveals that a majority of Americans believe that churches have lost the spiritual aspect of religion and many look elsewhere for spiritual intimacy with God. In response to the need within the Church for deeper spiritual intimacy with God, I introduced a comprehensive contemplative prayer practice into both worship and ministry programs of the Dahlonga United Methodist Church. The two primary methods I used to help introduce contemplative prayer into the Church were moments of silent prayer and a form of meditating on Scripture called lectio divina. This project analyzes the results by interviewing persons who have participated to see if these practices helped them develop intimacy with God. This study revealed that these practices greatly helped persons to hear and encounter God, feel one with God and develop intimacy with God.
