Blending heart-pounding action and historical accuracy, Harry Sidebottom 's bestselling Warrior of Rome series took readers from the shouts of the battlefield to the whisperings of the emperor 's inner circle. Now, Sidebottom sets his sights on one of the bloodiest periods of Roman history—the Year of the Six Emperors. In spring AD 235, a surprise attack and the brutal murder of Emperor Alexander and his mother ends the Severan dynasty and shatters four decades of Roman certainty. Military hero Maximinus Thrax is the first Caesar risen from the barracks. A simple man of steel and violence, he will fight for Rome unconditionally. The Senators praise the new Emperor with elaborate oratory, but will any of them accept a Caesar who was once a shepherd boy? In the north, as the merciless war against the barbarians consumes men and treasure, rebellion and personal tragedy drive Maximinus to desperate extremes, bloody revenge, and the borders of sanity. Iron and Rust creates a world both sophisticated and brutal, yet firmly rooted in history. Game of Thrones-meets-300: Rise of an Empire, this is a world of intrigue, murder, passion, and war—a world where men will kill to sit on the Throne of the Caesars.

From the bestselling author of Warrior of Rome comes the first book in a new series set in third century Rome, a dramatic era of murder, coup, counter-rebellions and civil war. In the winter of AD234 no one could have predicted the coming catastrophe ... Emperor Alexander Severus has reigned for thirteen years and the Empire remains strong. Popular with the Senate and Rome's people, his power is known across all four corners of the world. The Severan dynasty, apart from a brief interlude of a few months long ago, has held power for more than four decades. In the east a hard fought war has ended Sassanid Persian attacks. Peace reigns and Rome prospers. But the unexpected assassination of the Emperor in the spring of AD235, will scupper the peace and change everything, for ever. The first book in Sidebottom's major new series set in third century Rome explores an era of unprecedented violence and turbulence which saw, for the first time, Emperors killed on the field of battle, cut down both by barbarians and by the soldiers of Rome herself. In the space of fifty years nearly as many men were to wear the imperial purple.

It is April 238 AD, and the empire is in turmoil. With both Gordian the Elder and Younger dead in North Africa, tyrant and former emperor Maximinus Thrax seeks to reclaim the throne. The Senate, who supported the Gordian revolt, choose two of their own to claim power. But fighting erupts in the streets as ambitious men call for violent revolution.As Maximinus marches into northern Italy, the city of Aquileia is the only thing standing between him and Rome. Against all odds, Menophilus, a friend of the Gordians,prepares to defend the city. In one of the greatest sieges in all of history, the fate of the empire will be decided.The dramatic and thrilling tale of murder, rebellion, and civil war, Fire and Sword creates a magnificent world built on violence and revenge—a world where none are safe,especially those who dare to rule.

Reknown for their skilled blending of action and historical accuracy, Sidebottom's Warrior of Rome novels take the reader from the shouts of the battlefield to the whispering of the emperor's inner circle.

Seventeen-year-old Ana is a scoundrel by nurture and an outlaw by nature. Found as a child drifting through space with a sentient android called D09, Ana was saved by a fearsome space captain and the grizzled crew she now calls family. But D09 -- one of the last remaining illegal Metals -- has been glitching, and Ana will stop at nothing to find a way to fix him. Ana's desperate effort to save D09 leads her on a quest to steal the coordinates to a lost ship that could offer all the answers. But at the last moment, a spoiled Ironblood boy beats Ana to her prize. He has his own reasons for taking the coordinates, and he doesn't care what he'll sacrifice to keep them. When everything goes wrong, she and the Ironblood end up as fugitives on the run. Now their entire kingdom is after them -- and the coordinates -- and not everyone wants them captured alive. What they find in a lost corner of the universe will change all their lives -- and unearth dangerous secrets. But when a darkness from Ana's past returns, she must face an impossible choice: does she protect a kingdom that wants her dead or save the Metal boy she loves?

A tense and brilliantly dramatic 20-page short story from the bestselling author of The Throne of the Caesars Series.

It 's Boston, 1919, and the Cast Iron club is packed. On stage, hemopaths—whose " afflicted " blood gives them the ability to create illusions through art—Corinne and Ada have been best friends ever since infamous gangster Johnny Dervish recruited them into his circle. By night they perform for Johnny 's crowds, and by day they con Boston 's elite. When a job goes wrong and Ada is imprisoned, she realizes how precarious their position is. After she escapes, two of the Cast Iron 's hires are shot, and Johnny disappears. With the law closing in, Corinne and Ada are forced to hunt for answers, even as betrayal faces them at every turn. An ideal next read for fans of Libba Bray 's The Diviners.

With her phenomenal Mage Winds trilogy, bestselling author Mercedes Lackey captivated fans across the country. Now in the first volume of the series sequel, she continues the same storyline, returning readers to a war-torn Valdemar in preparation to confront an ancient Eastern Empire--ruled by a monarch whose magical tactics by be beyond any sorcery known to the western kingdoms.

From the bestselling author of Warrior of Rome comes the first book in a new series set in third century Rome; a dramatic era of murder, coup, counter-rebellions and civil war. In a single year six Emperors will lay claim to the Throne of the Caesars... SPRING AD235 Dawn on the Rhine. A surprise attack and the brutal murder of the Emperor Alexander and his mother ends the Severan dynasty and shatters four decades of Roman certainty. A.D. 255: The Roman Imperium is stretched to the breaking point, its authority and might challenged throughout the territories and along every border. One man is sent to marshal the defenses of a lonely city and to shore up the crumbling walls of a once indomitable symbol of Roman power, a man whose very name means war, a man called Ballista. So unfolds an epic drama—a story of empire, heroes, treachery, courage, and most of all, of brutal, bloody warfare.
