Behind the scenes with the legendary CEO Jack Welch's innovative leadership strategies revived a lagging GE, transforming it into a powerhouse with a staggering \$300 billion-plus market capitalization. In writing Jack Welch and the GE Way, author Robert Slater was given unprecedented access to Welch and other prominent GE insiders. What emerged is a brilliant portrait that tells you what makes Jack Welch tick. Learn how to work the Welch magic on your own company as you find out how he dismantled the boundaries between management layers, between engineers and marketers, between GE and its customers to streamline the process of getting products and services to market. Get details on Welch's far-reaching Six Sigma quality initiative, and discover how its principles and standards can save billions of dollars...how and why he has made GE a truly global company (and why you must think global as well)...and all the other Welch "midas touch" strategies you can put to work in your organization, at every level!

Proven leadership lessons from the author of the international bestseller The Welch Way Techniques Jack Welch used to create great leaders and drive unprecedented financial performance Jack Welch and GE used the celebrated 4e model to measure leadership potential and enhance profitability at every level of the organization. Jack Welch and the 4 E's of Leadership delivers a thought-provoking and in-depth analysis of this signature model. Pragmatic and hands-on, it explains how the model helped Welch to consistently spot 4e leaders--individuals with energy, the ability to inspire others, and the talent to consistently make the difficult decisions and meet financial goals. Jack Welch and the 4 E's of Leadership reveals how the 4e model helped GE's best and brightest eliminate bureaucracy, hire and promote energetic people, find new ways to increase the organization's customer-centricity, and more. Beyond the nuts and bolts of the 4e model, however, it outlines a step-by-step blueprint anyone can follow to stock an organization with performance-ready leaders and leaders-in-training. Examples include: How to recognize and encourage each of the 4e's--Energy, Energizers, Edge, and Execute Leadership theories of Drucker, Senge, and others, and how they support and validate Welch's 4e model Seven rules for successfully driving change, and leveraging it to gain long-term competitive advantage Leadership lessons of the 4e all-star executive team Valuable implementation insights on virtually every page, along with a "4e leader to-do" list Jack Welch is universally recognized as the greatest CEO of his era. In Jack Welch and the 4 E's of Leadership, bestselling author Jeffrey A. Krames examines Welch's seminal 4e leadership model and provides a penetrating and uncompromising look at how to recognize and develop authentic leaders.

Discusses how one manager achieved success in business by utilizing such simple leadership secrets as change, downsizing, facing reality, re-examining agendas, and empowerment

A champion manager of people, Jack Welch shares the hard-earned wisdom of a storied career in what will become the ultimate business bible With Winning, Jack Welch delivers a wide-ranging, in-depth, no-holds-barred management guidebook about the tough strategic, organizational, and personal challenges that face people at every stage of their careers. Loaded with candid personal anecdotes, hard-hitting advice, and invaluable dos and don'ts, Jack explains his theory of business, by laying out the four most important principles that form the foundation of his success. Chapters include: How to Get Promoted, How to Think about Strategy, How to Write a Budget that Works, How to Work for a Jerk, How Find Work-Life Balance and How Start Something New. Enlivened by quotes from business leaders that Welch interviewed especially for the book, it's a tour de force that reflects Welch's mastery of execution, excellence and leadership.

Where To Download Jack Welch The G E Way Management Insights And Leadership Secrets Of The Legendary Ceo

"O'Boyle has researched and written a monumental book that should be mandatory reading for all CEOs and anyone concerned with business ethics." --The Philadelphia Inquirer "Superb . . . a spirited study of General Electric, and of its sometimes brilliant, sometimes bungling, but always ruthless boss, Jack Welch." --Chicago Sun-Times With convincing passion and meticulous research, Thomas F. O'Boyle explores the forces behind General Electric's rise to the top of Wall Street, questioning if GE, with chief executive officer Jack Welch at the helm, is still "bringing good things to life." Welch--explosive, profit-hungry, and pragmatic--catapulted GE's stocks to the top, up 1,155 percent from 1982 to 1997. O'Boyle argues that these astounding results have come only with the heavy price of employees' lives, blighted under the tyranny of "Neutron Jack" Welch, so named for his bomb-like ability to eliminate staff without disturbing surrounding operations. During Welch's reign, hard-nosed success tactics--unblinking downsizing, ruthless acquisition negotiations, and the virtual abandonment of manufacturing in favor of the more glamorous entertainment and financial services industries--coexist with scandals like price-fixing, pollution, and defense contract fraud. Sure to spark controversy, this gripping, comprehensive account begs the greater question: Is Jack Welch's GE a model company for business in the next century, or is it time to change the way the world does business? "Smoothly written and thoroughly researched." --USA Today "This book makes a valuable contribution to our understanding of corporate America. . . . Thomas F. O'Boyle persuades you that GE--Jack Welch's GE--brings bad things to life. In abundance." --Washington Monthly

In an anticipated book on business management for our time, Jack Welch surveys the landscape of his career running General Electric, one of the world's largest and most successful corporations. Here he reveals his philosophy and management style.

How could General Electric--perhaps America's most iconic corporation--suffer such a swift and sudden fall from grace? This is the definitive history of General Electric's epic decline, as told by the two Wall Street Journal reporters who covered its fall. Since its founding in 1892, GE has been more than just a corporation. For generations, it was job security, a solidly safe investment, and an elite business education for top managers. GE electrified America, powering everything from lightbulbs to turbines, and became fully integrated into the American societal mindset as few companies ever had. And after two decades of leadership under legendary CEO Jack Welch, GE entered the twenty-first century as America's most valuable corporation. Yet, fewer than two decades later, the GE of old was gone. Lights Out examines how Welch's handpicked successor, Jeff Immelt, tried to fix flaws in Welch's profit machine, while stumbling headlong into mistakes of his own. In the end, GE's traditional win-at-all-costs driven culture seemed to lose its direction, which ultimately caused the company's decline on both a personal and organizational scale. Lights Out details how one of America's all-time great companies has been reduced to a cautionary tale for our times.

"If management is an art, then surely Jack Welch has proved himself a master painter." - BusinessWeek Boardroom legend Jack Welch is widely regarded as one of the most effective CEOs in business history. Welch's groundbreaking programs--including Six Sigma and Work-Out--along with his numerous strategies on business leadership have helped transform GE into the global benchmark for maximized productivity and labor efficiency. Now, The GE Way Fieldbook explains how you can implement the same programs that helped turn GE into a \$100 billion juggernaut. Drawing from his unprecedented access to GE's top-level corridors of power--including a never-before-published full-length interview with Jack Welch--veteran business author Robert Slater packs innovative strategies, easy-to-use diagnostic exercises, detailed questionnaires, and more into the most hands-on, applications-oriented book ever written on General Electric. Only in The GE Way Fieldbook will you find: "The Boca Raton Speeches"--Never-before-seen excerpts taken from Jack Welch's internal speeches to GE employees More than 100 exercises, overheads, and exhibits from the files of Jack Welch and GE The most complete treatment of GE's Six Sigma program ever published Step-by-step action plans that are blueprints for implementing Six Sigma and Work-Out--and creating the boundaryless organization The fieldbook has become one of today's most popular, effective teaching tools--but never before has one focused on the inner workings and strategies of a specific company. The GE Way Fieldbook gives you an inside look at the stunningly successful Jack Welch era at GE, provides the techniques and tools you need to focus every worker in your organization on progress and growth, and outlines a strategic roadmap for implementing GE's business practices--and removing the boundaries to success--within your own organization.

"If leadership is an art, then surely Jack Welch has proved himself a master painter." --BusinessWeek on Jack Welch Jack Welch on Leadership distills the bestselling Jack Welch and the GE Way into 23 of Welch's leadership secrets and traits, and provides Welch devotees across the nation and around the globe with a rare glimpse into the mind and methods of the man Tom Brokaw dubbed "the smartest boss I ever had."
