In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is just that:a theology of love. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships/what God intended in the Garden. And about what is wrong/the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married:both inside and outside the church:who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

Presents a biblical view of male-female relationships, revealing what the Scriptures have to say about love, sexuality, romance, and marriage, and answers the most frequently asked questions about sexuality and relationships.

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is a theology of love from God's point of view. The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships/what God intended in the Garden. And about what is wrong/the fallout in a post-Eden world. The Loveology video-based Bible study (DVD/digital video sold separately) is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the why questions and get intelligent, grace-and-truth answers. As you walk through this five-week study, you will come to better understand what God fully intended back in the garden. By comprehending the brilliance behind God's original plan for love and marriage and sex and romance:if we can redefine that fuzzy, amorphous, confusing word 'love' and look at it through the lens of Jesus:your marriages and relationships will be radically altered as a result. This study guide contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study. Sessions include: Love Marriage Sex Romance Singleness Designed for use with Loveology Video Study 9780310688389 (sold separately).

Many of us ache for relationship with God, yet feel distant and disconnected from him. As if he's more of an idea we believe in our head than a person we relate to. But God has a name: Yahweh. This one simple idea has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our 'iGod' is really a projection of our own identity, ideas, and desires? And what if the real God is different, but far better than we could ever imagine? This book is a simple, but profound guide to what God says about himself. In his signature conversational-but-smart style, John Mark Comer takes the reader line by line through Exodus 34v6-8:Yahweh's self-revelation on Mount Sinai-called by some scholars the one most quoted verse in the Bible, by the Bible. In it, we see who God says he is. It turns out, who God is just might surprise you, and change everything.

ECPA BESTSELLER \u2013 A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life \u2013As someone all too familiar with 'hurry sickness,' I desperately needed this book.\u2013Scott Harrison, New York Times best-selling author of Thirst '\u201cWho am I becoming?\u201c That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren't pretty. So he turned to a trusted mentor for guidance and heard these words: '\u201cRuthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.\u201d It wasn't the response he expected, but it was:and continues to be:the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you'll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.

In this delightfully witty and uplifting book, thirty-something Lauren Windle shines a light on the trials and tribulations - and sometimes also the triumphs - of the world of Christian dating. This is not a how-to guide. Like having a coffee with your mates while you pore over your profile matches, heartbreaks and hilarious mishaps, Notes on Love draws on Lauren's own experiences of being single and dating in the Church to offer a funny, insightful and open-hearted collection of musings on the absurdity, messiness, pain and joy of it all. With notes on 'How to first date' and 'A million ways to meet people' to 'Disappointment' and 'Schrodinger's boyfriend', as well as looking at how you can find true love with yourself, your friends and family and above all in Christ, Notes on Love is a thought-provoking exploration of Christian relationships in the Church today. This is a book for anyone who has struggled with dating in Church, or who has asked themselves how to be single as a Christian only to discover there's no right answer. Warm, generous and honest, Notes on Love is an invitation to laugh, cry and know that whether you are male or female, single, coupled up or somewhere in between, you are not alone.

In Love That Lasts, New York Times bestselling author of Jesus > Religion Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's [prodigal son] personal history and from Alyssa's [True Love Waits] experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back the lies, such as the belief that every person has only one soul mate, that marriage will complete you, or that pornography and hook-ups are harmless.
