MS-5 The MS-5 is designed and engineered by Challenge, which introduced the first paper drill in the Graphic Arts industry in the early 1930 ' s. Today, the MS-5 builds on our expertise with drilling technology. The easily accessible control panel and powerful hydraulic operation are designed to reduce operator fatigue and increase job production.

Challenge Machinery MS-5 | Intoprint Technologies

The JF drill is the foot pedal operated paper drill for productive, economical, high quality drilling. Ideal for small bindery operations, the JF sets up quickly and easily and can drill up to a 2 inch lift. With optional attachments, cornering, slitting, slotting, and V-slotting are possible as well.
