The Ultimate Training Guide includes advice, plans, and programs for half marathons, full marathons, and more.

**Hal Higdon Writing - Best-Selling Training and Running Books**

The key to training for a marathon is consistency. If you're new to running, start off slowly. It's recommended that beginner runners allow themselves around 20-24 weeks of training in order to clock up the necessary distances in training and reach the point where they can successfully complete a marathon.
