Small farming for profit for the young farming couple. I think a farm couple with proper equipment and approach could look after a one-acre market garden by themselves. This is a trade-off, of course, since this would require more of an investment in equipment. See my 5 Acre Farm Plan for an idea of the equipment I consider necessary.

Small farming for profit for the beginner

In sustainable farming and as mini farm owners the key is not to waste. Do not waste the natural resources that you have. Do not waste the opportunity to re-cycle everything. Take your vegetable scraps and either start a compost bin with worms for vermicompost or start an open compost heap. When you have pruned your trees and have grass clippings after mowing the lawn, add these to your compost.
