Emotional Divorce is a psychological mechanism some spouses use when they feel the marriage has become a threat to their well-being. The “walk-away spouse,” in most situations has already emotionally divorced themselves from their marriage and relationship. When you divorce yourself emotionally from your spouse, you have separated your emotions from the marriage.

Stepmothers, do you often feel awkward and excluded when spending time with your husband and your stepdaughter? Does their physical affection seem excessive or inappropriate? Do you feel she is more like the "other woman" than your stepdaughter? If the answer to these questions and more is a resounding YES, then you might have a Mini-Wife in your marriage. Mini-Wife Syndrome is more common than most people realize in relationships where single fathers have inadvertently allowed their daughters to step into roles of companion, confidante, and/or helpmate with their fathers. In this book, we discuss Mini-Wife Syndrome from start to finish... the

happy when their parents are happy"? What would you like to tell your parents then and now? What do you want adults in our culture to know about divorce? What role has your faith played in your healing? Their simple and poignant responses are difficult to read and yet not without hope. Most of the contributors--women and men, young and old, single and married--have never spoken of the pain and consequences of their parents' divorce until now. They have often never been asked, and they believe that no one really wants to know. Despite vastly different circumstances and details, the similarities in their testimonies are striking; as the reader will discover, the death of a child's family impacts the
