integrates language instruction into meaningful, real-life contexts.

"Ventures is a six-level, four-skills, standards-based, integrated-skills series that empowers students to achieve their academic and career goals... Each of the core student's book contains ten topic-focused units, interspersed with five review units."--p.viii of student's book.

The course reflects the fact that English is a language of international communication, not limited to one country, region or culture. Changes is based on a multi-skills syllabus which integrates structural, functional, lexical, phonological, situational and thematic syllabi. The methodology reflects a communicative approach and ensures that students have every opportunity to
