BRITs may be able to spend time with their families at Christmas thanks to a new rule allowing households to mix indoors. Health chiefs are looking at the idea in a bit to save the festive season. ...

Using a biblical, strategic plan, this book presents a dynamic, effective plan for planting churches. It presents God's heart for kingdom expansion-planting local churches. Herron discusses characteristics and methods of successful church planters. He thoroughly diagrams how a potential church planter can survey a community with the intent of developing a heart for the community, how to plan strategically, and how to pray strategically. Also included are keys to effective church planting-strategic planning, gathering the core group, reaching the lost, structuring for disciple-making, and developing leaders. Common pitfalls are also discussed. *Expanding God's Kingdom Through Church Planting* is a book to be read, reread and shared. It deserves a "front row seat" on a bookshelf. Herron writes, "This book was written to provide a high-quality guidebook for church planters, churches that plant churches, schools that teach church planting, and denominational or post-denomination leaders that over church planting."

"Come to Me all you who labor and are heavy laden, and I will give you rest." Bringing a distinctly Christian perspective to the subject of finding true rest in the midst of daily pressures, Siang-Yang Tan diagnoses what ails us and provides thoroughly practical steps to help us respond to Jesus' invitation. "In this book, Siang-Yang Tan draws from a richness of experience to write with warmth and compassion. Since he himself knows the difficulty of slowing down in these hyperactive times, he is able to give practical guidelines to others, drawn from a wealth of information found in the Scriptures, empirical research, and psychological reports. . . . If rest is not easy for you to put into practice, learn from an author who is growing at a healthy pace and willing to bring others along on the journey." -from the Foreword, by Dr. Gary R. Collins SIANG-YANG TAN is professor of psychology at Fuller Theological Seminary. He also serves as Senior Pastor of First Evangelical Church in Glendale, California. He has authored or co-authored eight previous books, including *Disciplines of the Holy Spirit* and *Understanding Depression*. He is an associate editor of *The Journal of Psychology and Christianity*.

True Discipleship Integrates Emotional and Spiritual Health. New Life Fellowship in Queens, New York, had it all: powerful teaching, dynamic ministries, an impressive growth rate, and a vision to do great works for God. Things looked good---but beneath the surface, circumstances were more than just brewing. They were about to boil over, forcing Peter Scazzero to confront needs in his church and himself that went deeper than he'd ever imagined. What he learned about the vital link between emotional health, relational depth, and spiritual maturity can shed new light on painful problems in your own church. Here are refreshing new insights, and a different and challenging slant on what it takes to lead your congregation to wholeness and maturity in Christ. Our churches are in trouble, says Scazzero. They are filled with people who are -unsure how to biblically integrate anger, sadness, and other emotions -defensive, incapable of revealing their weaknesses -threatened by or intolerant of different viewpoints -zealous about ministering at church but blind to their spouses' loneliness at home -so involved in "serving" that they fail to take care of themselves -prone to withdraw from conflict rather than resolve it Sharing from New Life Fellowship's painful but liberating journey, Scazzero reveals exactly how the truth can and does make people free---not just superficially, but deep down. After offering a new vision of discipleship and a revealing, guided self-assessment of your own spiritual and emotional maturity, *The Emotionally Healthy Church* takes you through six principles that can make a profound difference in your church. You'll acquire knowledge and tools that can help you and others . look beneath the surface of problems . break the power of past wounds, failures, sins, and circumstances . live a life of brokenness and vulnerability . recognize and honor personal limitations and boundaries . embrace grief and loss . make incarnation your model to love others. Written in a personal and passionate style, *The Emotionally Healthy Church* includes hands-on tools, discussion questions, spotlights on key points, and story after story of people at New Life whose lives have been changed by the concepts in this book. Open these pages, and find out how your church can turn a new corner on the road to spiritual maturity.

In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, and the author's 2017 book, *The Pastor's Library*, Robert Yost provides the same expert guidance now for a lay audience. Finally, laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading. From general reference works such as Bible atlases and concordances, commentaries, devotional works, and theological studies to Christian biography and fiction, this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses. Overwhelmed by the proliferation of Christian books on the shelves? This handy guide is the book for you!

Accompanied by a CD-ROM containing the author's popular *File-a-Plan* organizing system, this practical resource provides a wealth of home-management principles for parents that helps bring order to their home-turned-classroom. Original.

In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools, to commentaries and theologies as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries are are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

Just as athletes must master certain physical skills to dominate their sport, Christians must master certain basic principles of the faith to reach spiritual maturity. But because many of us don't have a good grasp of the fundamentals, we find our spiritual lives stagnant. With 54 brief topical discussions, *Basics for Believers* includes subjects like the Trinity, life goals, worship, budgeting and evangelism - making the basics of Christianity accessible and understandable for everyone.

Has anyone seen my time? I've misplaced it. We have schedule planners, computerized calendars, smart phones, and sticky notes to help us organize our business and social lives every day. But what about organizing the other side of our lives?the spiritual side? One of the great battlegrounds is within the private world of the individual. The values of our Western culture would have us believe the busy, publicly active person in ministry is also the most spiritual. Tempted to give imbalanced attention to the public world at the expense of the private, we become involved in more programs, more meetings. Our massive responsibilities at home, work, and church have resulted in many good people on the verge of collapse. In this updated classic *Ordering Your Private World*, Gordon MacDonalld equips a new generation to live life from the inside out, cultivating the inner victory necessary for public effectiveness. "With much enthusiasm I recommend this book to all of you who, like me, need order in your private world." ?Charles Swindoll, Chancellor, Dallas Theological Seminary

The Coming Church Revolution describes a significant new direction in ministry that already has revolutionized congregations of all sizes around the world. Charts and vivid analogies unveil a model of ministry and a fresh attitude that stresses the importance of relationships over programs.
