Risk Balance of Power is a two-player version of Risk on a map covering a large part of Europe (Iberia and the Balkans do not partake). The map is divided into 6 regions consisting of 30 territories. Some of the territories contain rough terrain and are harder to attack. There are 4 different basic starting setups for the 2 players.

The goal of the game is to be the first player to control 7 crowns. Each city under a player's control provides a crown and a mission card deck gives an opportunity to earn more crowns. While there's some similarities to other versions of Risk, the turns are quite different. Each player has a deck of orders they can take on their turn.

~~BoardGameGeek~~

Risk is a strategy board game of diplomacy, conflict and conquest for two to six players. The standard version is played on a board depicting a political map of the world, divided into forty-two territories, which are grouped into six continents.

~~Risk (game) - Wikipedia~~

Game Board: The Risk game board is simply a map of 6 continents divided into 42 territories total. Each continent is depicted with a different color and each contain 4 to 12 territories within its borders. The numbers along the bottom or southern edge of the board indicate the number of armies you will receive for a set of cards you trade in.
