Read Book Roots Of The Arab Spring Contested

In *Roots of the Arab Spring*, she gives one of the first accounts of the systemic underlying forces that gave birth to the Arab Spring. Drawing on three years of field research conducted before the protests, Rand shows how experts overlooked signs that political change was stirring in the region and overestimated the regimes' strategic capabilities to manage these changes. She argues that the ...

~~Change in The Middle East~~
Tariq Mohamad Bouazizi ran his business from a pushcart in Tunisia. He couldn't afford the time or the money to register his business legally. He was Locked Out of the system. Like the vast majority of people in the Middle East, he ran his business extra-legally and dealt with harassment from corrupt officials. A run-in with officials and resultant death started a movement across the Middle East.

The uprisings that have swept through the Arab world this year have been called a people ' s revolution. Breaking with the tradition of despotic regime change through assassination, military coup, or foreign invasion, ordinary young people have propelled the Arab Spring. Without clear leaders or organizations, they initiated aggressive challenges to the region ' s rulers and in some cases set
