As hard as the I-should-be-better syndrome can be, I actually see it as a sign of deep self-love to believe you deserve good stuff. You care enough to shame yourself over not having what you know you're capable of. Now maybe we can come together in the name of all that self-love and do it without the conditions.

6 ways to Deal with I Should Be Better Syndrome
Feel better? You shouldn't. Opinion by Editorial Board. September 24, 2020 at 5:41 PM EDT. IT WOULD have been unthinkable, not long ago, for a White House to have to issue such a clarification.

Opinion | The White House says Trump will accept election...
It is usually seen that many patients start feeling better within 2 to 3 cycles of chemo with some improvement in their symptoms. Certain types of cancers may not respond well to chemo even after 6 cycles, in which case it may take longer to feel better. As each chemo regimen follows a specific protocol, the duration between cycles varies and so do the months.

Around one in four clients of counseling and therapy either deteriorate in treatment or show no signs of recovery. Why does therapy fail this significant proportion of vulnerable people and what can be done about it? This ground-breaking volume assembles the first ever collection of client critiques of therapy as a way of kick-starting an urgently needed debate. Including contributions from a range of internationally respected therapists, the book identifies areas of concern and seeks to provide constructive solutions for the future. Nominated for the Mind Book of the Year Award 2006

Flamboyant. Pioneering. Opinionated. These words and dozens more have been used over the years to describe Chet Coppock, a true Chicago sports legend. Now, after decades of talking sports in every corner of the city with everyone from Hall of Famers to average fans, Coppock has written the ultimate guide to the most famous-and infamous-people, places, and moments in Chicago sports history. Fat Guys Shouldn't Be Dancin' at Halftime is a one-of-a-kind guide through the wild and wacky world of Chicago sports. Fans will get a behind-the-scenes look at some of the city's biggest stars from a man who's seen them all come and go—they'll also be directed to some off-the-beaten-path attractions that every true sports fan should visit.

KEEPING THE FAITH, was a quest for religious truth to end the turbulent cycle of transgressions passed down from generation to generation. As such, this work challenges the hidden pleasure of infidelity, which causes families to be separated; as well as love, trust and commitment, the struggle of the family to stay united.

In an honest, eloquent memoir, Episcopal priest Margaret Bullitt-Jonas describes a childhood darkened by the repressive shadows of her alcoholic father and her emotionally reclusive mother, whose demands for excellence, poise, and self-control drove their daughter to develop an incredible addiction to food.

When doctors told Danielle Walker that food didn't cause her autoimmune disease and couldn't help control it, she set out to prove them wrong. Diagnosed with an extreme form of ulcerative colitis at 22, Danielle was terrified shed never be able to eat all the wonderful, great-tasting foods she loved growing up or host warm, welcoming gatherings with family and friends. So when the medicine she was prescribed became almost as debilitating as the disease itself, Danielle took matters into her own hands, turned her kitchen into a laboratory, and set to work creating gut-healthy versions of the foods she thought shed never be able to enjoy again. Three New York Times bestselling cookbooks later, Danielle has become a beacon of hope for millions around the world suffering from autoimmune diseases, food allergies, and chronic ailments. Now for the first time, with stunning transparency about the personal toll her illness took on her physically, emotionally, and spiritually, Danielle reflects on everything shes learned during her decade-long journey toward healingincluding the connection between gut health and overall well-being, the development of her favorite recipes, and the keys for not simply surviving her autoimmune disease but thriving despite it. Through her resilience, Danielle tells a story that provides hopehope that despite your ailments or hardships, you can live a full, happy, and healthy life without ever feeling excluded or deprived. Food saved Danielle Walker. And it can save you, too. Includes six fan-favorite recipes and the stories behind them!

Broken by love, Lincoln Fraser is back in the city of his birth. He's been abandoned, betrayed, and doesn't see how he can ever trust again. Kali Johnson is stuck in a world that feels too much for her. Her husband's gone, her son won't talk, and her apartment is full of rats. Fearful she's failing at life, all she wants is a second chance to make things right. When a freak accident places Kali and her son in Lincoln's path, he feels compelled to help this single mother and her child. Unprepared for the challenge of letting anyone back into his life, Lincoln is faced with a question—continue to shut himself out from the world or let someone in? Raw, heartbreaking, but full of hope, Behind Our Lives, Book One in the Behind Our Lives Trilogy, is a story that will leave you wanting more.

From New York Times bestselling author Chantal Fernando comes the latest in the Wind Dragons Motorcycle Club series featuring a red-hot romance and plenty of mystery! Ranger is at a crossroads: he has a chance to leave the motorcycle club and do something else with his life—but he keeps getting dragged back. When the Wind Dragons Motorcycle Club asks for his help, Ranger agrees, not only because it is hard to say no to them, but also because he has a vested interest. A woman is missing. And Ranger knows her. The Wind Dragons aren't the only ones hoping this girl can be found—on the hunt is Johanna Chase, a stubborn detective who won't give up until the missing woman is found safe. She needs Ranger to navigate the underground world of motorcycle clubs, and immediately, sparks fly. Ranger fights the attraction. He has no plans on going there, no matter how beautiful and badass she is. A biker and a cop? Ridiculous. But the two of them soon realize that they're in way over their heads, and now they have to trust each other in order to save her. With the WDMC and the police force at their back, it should be no problem, right?

A joy-ride in a balloon lands Jessie in a head of trouble south of the border! Jessie and Ki are breathing a little easier with the cartel out of the way. That is, until a balloonist lands on Starbuck property with the notion of using his contraption to ride the range. Ki thinks the balloonist is full of hot air, while Jessie seems to fall for his scheme. But Jessie's attitude changes with the weather and the balloon's altitude, as the pair are blown over the border and into a nest of vicious Mexican bandits.

From master baker, cook, and Zen priest Edward Espe Brown comes a collection of timeless essays on Zen, food, and life itself. Brown was among the Westerners ordained as priests by Shunryu Suzuki Roshi before his passing in 1971. Suzuki hoped that Zen might be transformed into a vibrant new form in the West--and in The Most Important Point, Brown fulfills his teacher's wish with 60 essays that are distinctly American yet preserve the roots of traditional Japanese Zen. ?Drawing from his time in the kitchen and on the cushion, Brown explores a range of topics, from basic sitting practice to making the "perfect" biscuit and much more. "In the words of my teacher," reflects Brown, "the most important point is to find out what is the most important point." Flavored with wise insights and irreverent humor, The Most Important Point brings together a treasury of teachings to inspire your own discovery.

Love First Lessons or The Bear and the Nightingale? Try both books of this award-winning epic fantasy adventure in one omnibus edition! "A bold beginning to a series that explores gender, empathy, and the frozen north"—Kirkus. "A riveting saga"—Midwest Book Review Women rule in Zem'. Krasnoslava Tsarinovna is the second-most powerful woman in Zem'. Unfortunately, she doesn't have a lot of power. Krasnoslava (Slava to her friends, if she had any) is the younger sister to the Empress of Zem'. She lives in luxury in her sister's kremlin, eats at her sister's rich feasts, and sits on her sister's council. She has everything any woman could want—except respect. Instead, she is the bearer of her family's double-edged gifts of clairvoyance and empathy. Knowing what other people feel about you is difficult at the best of times. In the imperial court, it's torture. When an adventurer comes asking for imperial support to explore the Midnight Land, the far North where the sun never rises all winter, Slava is so desperate to leave the kremlin that she asks to come with her. To her surprise, her request is granted. Slava's journey is supposed to take her to the very edge of Zem' and the Known World, and maybe help her learn more about her gifts. But as she travels North, she finds herself drawn into the center of a plot that could bring down her family. Slava would do anything to protect her family—except what the gods call upon her to do. Everyone has always considered Slava a coward. Will she learn to become a hero in order to save the people she loves?
