your car in the best conditions. The main goal is to save money.

For each maintenance, it will cost you from 35e to 50e maximum, while it costs more than 200e at your car dealer. You save at least 150e per service. More than money, you save time here ! We assure you than after the first learning, you will not

need more than 30

minutes! Better than go  
to the car dealer and

wait for two hours.

The Child's Play

Maintenance manuals  
have the goal to allow

anyone to do its car  
service himself. We

think that your

mechanic charge far too  
much for what it is, and

we want you to avoid  
this useless expense.

context of the East

European automobile  
industry as a whole.

Specifically, the book  
examines the  
development and  
post-1990 restructuring  
of the Czech car,  
components, and truck  
industries.
