When assessing applicants, universities are looking for the right character and personalities when it comes to social work. Courses like health and social care, psychology and sociology will help, but it's unlikely that you'll need to have taken specific subjects to get yourself onto a social work degree. Instead, you need to be able to demonstrate your care and compassion, your dedication, sensitivity and empathy, resilience, and natural social skills.

Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in theSocial Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.

Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. Written by a renowned social work educator rather than an unknown at a test preparation company, this thoroughly updated guide helps readers identify their weak areas so they know what to focus on to pass the 2018 ASWB® Masters licensure exam! Reviewers applaud the book's unique test-taking tips and strategies which are based on the author's extensive knowledge of the exam. A thorough review of the four content areas of the updated 2018 Masters exam is provided. The 170-question practice test with explanations of the correct answers mirrors the actual exam in length and structure. This invaluable guide has been praised by social workers across the country as essential to passing the ASWB® Masters Exam on the first attempt! Highlights include: Updated to reflect ASWB's revised 2018 test blueprint used for test construction. Content available via an app in addition to the print version so test takers can study using multiple mediums. Written by a renowned social work educator who has helped thousands of test takers pass the exam through her invaluable workshops. Provides a thorough content review of the four core areas of the updated 2018 Masters examination: human development, diversity, and behavior in the environment; assessment and intervention planning; interventions with clients/client systems; and professional relationships, values and ethics. Readers applaud the invaluable tips for how to read the questions, overcome test anxiety, avoid common pitfalls, and assess one's learning style which help foster exam confidence. Begins with a self-assessment to help identify areas of strength and weakness. A full practice test with 170 questions that mirrors the actual ASWB® Masters Exam in length, structure, and content, with detailed explanations of the correct answers. Identifies the Knowledge, Skills, and Abilities statements (KSAs) for each question so test-takers can easily locate relevant source materials for further study.
