Avalanche safety training is a must for those travelling in terrain at risk of slides, he adds. It's also important to bring a satellite communication device on more extensive trips and let someone know where you're going and when to expect you to return. more severe consequences," Webster said.

My name is Mavi StClair. I'm a monster with a pretty face. An assassin in trade. Guilt, remorse, it's never touched me. I'm as cold as they come and just as professional. Dealing death has always come easily, and I inflict it with ease. It fuels and feeds the twisted darkness inside me. My downfall begins with a single night of untamed passion leaving me hungering for more of him. One wicked soul recognizing another. Now he owns me. The lines of what I know are blurred. I'm playing his game. A pawn, eternally tangled in a web of secrets and lies. He won't let me go. Taking pleasure in my fall from grace. Question is, can I save myself before I'm damned completely?

There has been much speculation and interreligious debates with regards to the number of possible ways that may lead a person to God and what the ways are. Most of the debates have been between Christians and Muslims, and between those people who think there is possibly more than one way to God, and those people who think that only one way is possible by which a human being may get to God, the creator for eternal life. How many ways are truly there to God, one or many? Any of these answers are easy to give but are different depending on ones school of thought or religious affiliation. The truth, or at least the honest evidence, is the only solution to the whole controversy so that peace may prevail for unity to be possible on the issue of the way to God. In this book, the honest evidence of truth of the number and identity of the possible ways to God is discovered by treading the path of neutrality for truth. It is high time we settled the controversy among the religions concerning the way to God.

difficult to stop - even when both sides want the fighting to end. Through detailed case studies, the book assesses the obstacles and points toward solutions for ending wars more quickly. Each chapter is devoted to a specific obstacle which the author analyzes and then illustrates with case studies, drawing on such conflicts as the Iran-Iraq War, the Gulf War and the Yugoslav wars. He assesses the role of third parties in trying to persuade people to stop fighting and examines what happens when obstacles to a cease-fire cannot be overcome.

DIVE INTO THE SANHEIM CHRONICLES: A Celtic legend and "The Legend of Sleepy Hollow" collide in The Sanheim Chronicles, a trilogy that deftly combines urban fantasy, mystery, and suspense. Book One, A Soul to Steal: "When I first downloaded 'A Soul to Steal' I had no idea I would get sucked into a series that would fire my imagination and twist mythologies so thoroughly." Book Two: Band of Demons, has earned rave reviews for its "plot twists that will leave you gasping for air." Book Three: Give the Devil His Due has been called "a masterfully crafted story" and a "stellar conclusion to one of the best trilogies I've ever read... I'm still reeling from the ending." "I am happy to cheer Mr. Blackwell on as he draws us into his supernatural thriller, The Sanheim Chronicles."

-- Mark Metcalf, Actor (The Master, Buffy the Vampire Slayer)

MORE ABOUT GIVE THE DEVIL HIS DUE, BOOK THREE OF THE SANHEIM CHRONICLES: The stunning conclusion to The Sanheim Chronicles trilogy... A Soul to Steal revealed an ancient Celtic myth in which a man and woman could gain tremendous power around Halloween, provided they faced and conquered their fears. Quinn O'Brion and Kate Tassel, two small-town journalists, became the Prince of Sanheim and used that power to defeat a serial killer. In Band of Demons, Quinn and Kate battled a new threat, two legendary creatures who had already destroyed everyone in their path. But Kate and Quinn's victory came at a heavy price. In Give the Devil His Due, Kate's only hope to save Quinn is to trust

the man who took him from her. Don't miss the epic finale to the trilogy that has readers raving about its great characters, plot twists and deft combination of urban fantasy, mystery and suspense. The Lord Sanheim rules forever... "This third book in The Sanheim Chronicles is a masterfully crafted story that ties in all the pieces from the first two parts. Not only are Sanheim and his followers finally confronted face to face by Quinn and Kate, they are seen in a whole new light... or darkness depending on which side you are watching from." -- Indie Reader

Satanist-Turned-Evangelist Gives You the Inside Strategy to Defeat the Devil's Plans! Many people, even Christians, deny the devil's power. John Ramirez doesn't have that luxury—he experienced the prince of darkness up close and personal. In the impoverished streets of the South Bronx, John Ramirez found “acceptance” from a family of witches and warlocks. These practitioners of dark arts trained him to be a high-ranking satanic priest—a story told in his first book, *Out of the Devil's Cauldron*. However, everything changed when he met the living Christ. In *Unmasking the Devil*, John Ramirez shares an insider view of how satan operates so you can avoid his traps and learn how to: discern between the voice of God that directs to victory and satan's voice that leads to destruction. close the demonic doors satan uses to enter your life: entertainment, unhealthy relationships, greed, and false religion. activate the spiritual weapons of prayer, intercession, and Scripture to render hell powerless over your life. recognize how the spirits of Jezebel and Delilah attempt to infiltrate the church, create disunity, and render God's people powerless. No army goes into battle without first knowing the tactics of their enemy. Receive behind-the-scene glimpses of satan's strategies and equip yourself to live victoriously over the powers of darkness! “Spiritual warfare is a must for every Christian if they are going to survive in the coming years,” says John Ramirez. “It's time to stop playing patty-cake with the devil and learn how to put hell on notice.”

In 1861, Two sections in America, the North and the South, are like Angels dancing with the evil of slavery and are gamboling with the Demons of Death. This will be settled by a contest of arms. What follows is the story of Edward Connery, his search for meaning to his life, and the experiences and adventures he experiences during this odyssey. He will become a soldier fighting Demon forces of slavery. He will find his love and come to realize the evils of slavery, and the humanity of the slave class, while becoming a better, and more insightful man

For a city in India's northeast that has been embroiled in the everyday militarization and violence of Asia's longest-running separatist conflict, Dimapur remains 'off the map'. With no 'glorious' past or arenas where events of consequence to mainstream India have taken place, Dimapur's essence is experienced in oral histories of events, visual archives of the everyday life, lived reality of military occupation, and anxieties produced in making urban space out of tribal space. Ceasefire City aims to capture the dynamics of Dimapur by bringing together the fragmented sensibilities granted and contested in particular spaces in the city and the embodied experiences of the city by its residents. The first part of the book talks about military presence, capitalist growth, and urban expansion in Dimapur through an analysis of its spatial politics, and the second part, through collaborative ethnographic exercises, focuses on the relationship between the lived realities and the meanings that are forged around the city.

In March 2011, NATO launched a mission hitherto entirely unthinkable: to protect civilians against Libya's ferocious regime, solely from the air. NATO had never operated in North Africa, or without troops on the ground; it also had never had to move as quickly as it did that spring. It took seven months, 25,000 air sorties, 7,000 combat strike missions, 3,100 maritime hailings and

nearly 400 boardings for Tripoli to fall. This book tells for the first time the whole story of this international drama, spanning the hallways of the United Nations in New York, NATO Headquarters in Brussels and, crucially, the two operational epicentres: the Libyan battlefield, and Joint Force Command Naples, which was in charge of the mission. Weighill and Gaub offer a comprehensive exploration of both the war's progression and the many challenges NATO faced, from its extremely rapid planning and limited understanding of Libya and its forces, to training shortfalls and the absence of post-conflict planning. Theirs is a long-awaited account of the Libyan war: one that truly considers all the actors involved.

As an MP, Douglas Hurd would write a new short story every year during the summer Parliamentary recess. This collection comprises ten tales, including a moving account of a family in Bosnia (*The Last Day of Summer*), a caper about drugrunning off Florida (*A Suitcase Between Friends*), and a grimly realistic Ulster vignette (*Fog of Peace*). Each of these stories reflects the intelligent concerns of a politician engaged in, and committed to, both the everyday world of domestic matters and at the highest level.
