THE STORY The Night Porter is set in a hotel, in November, in the fictional town of Wheatley Fields, (based on Southwell, near Nottinghamshire, deep in Sherwood Forest). It takes place over two weeks, underneath steel grey clouds and icy rain. Four writers, all nominated for an upcoming awards ceremony, come to stay. One mega successful romance author, a top US thriller writer who sells in seven figures, a beautiful young YA tyro on the brink of world wide stardom.... ..and a degenerate, nasty, bitter, jealous, trollish, drunken (but brilliant), self-published contemporary fiction author. The eponymous, pseudonymous and anonymous Night Porter is instructed by a secretive and powerful awards committee to look after their EVERY need, to ensure they make it through the two weeks to attend the ceremony. At the same time as keeping an eye on their wishes, antics, fights, relationships and never-ending ego explosions. And trying desperately to avoid getting involved himself. It's a comedy drama about writers (and Night Porters!) with twists and turns, nooks and crannies, shadows and mirrors, alongside some of my bizarre preoccupations and obsessions. It casts a sometimes shadowy light on modern publishing, the writing business - and the people in it. Writers who like to read about writers and writing will enjoy the book.

In this, the first comprehensive book on Liliana Cavani, Gaetana Marrone redraws the map of postwar Italian cinema to make room for this extraordinary filmmaker, whose representations of transgressive eroticism, spiritual questing, and psychological extremes test the limits of the medium, pushing it into uncharted areas of discovery. Cavani's film The Night Porter (1974) created a sensation in the United States and Europe. But in many ways her critically renowned endeavors--which also include Francesco di Assisi, Galileo, I cannibali, Beyond Good and Evil, The Berlin Affair, and several operas and documentaries--remain enigmatic to audiences. Here Marrone presents Cavani's work as a cinema of ideas, showing how it takes pleasure in the telling of a story and ultimately revolts against all binding ideological and commercial codes. The author explores the rich visual language in which Cavani expresses thought, and the cultural icons that constitute her style and images. This approach affords powerful insights into the intricate interlacing of narrated events. We also come to understand the importance assigned to the gaze in the genesis of desire and the acquisition of knowledge. The films come to life in this book as the classical tragedies Cavani intended, where rebels and madmen experience conflict between historical and spiritual reality, the present and the past. Offering intertextual analyses within such fields as psychology, history, and cultural studies, along with production information gleaned from Cavani's personal archives, Marrone boldly advances our understanding of an intriguing, important body of cinematic work.

" A dark, thoroughly modern fairy tale crackling with wit and magical mayhem. " —Leigh Bardugo, New York Times bestselling author of Shadow and Bone " An enchantingly twisted modern fairy tale, perfect for those who prefer Grimm to Disney. Inventive, darkly magical, and beautifully written, it will stay with me for a long time. " — Kendare Blake, New York Times bestselling author of Three Dark Crowns Vassa in the Night is a powerful and haunting modern retelling of the Russian folktale " Vasilissa the Beautiful " for teen fans of urban fantasy, fairy tales, magic, and horror who enjoy books by Leigh Bardugo, Kendare Blake, Catherynne Valente, and V. E. Schwab. In the enchanted kingdom of Brooklyn, the fashionable people put on cute shoes, go to parties in warehouses, drink on rooftops at sunset, and tell themselves they ' ve arrived. A whole lot of Brooklyn is like that now—but not Vassa ' s working-class neighborhood. In Vassa ' s neighborhood, where she lives with her stepmother and bickering stepsisters, one might stumble onto magic, but stumbling out again could become an issue. Babs Yagg, the owner of the local convenience store, has a policy of beheading shoplifters—and sometimes innocent shoppers as well. So when Vassa ' s stepsister sends her out for light bulbs in the middle of night, she knows it could easily become a suicide mission. But Vassa has a bit of luck hidden in her pocket, a gift from her dead mother. Erg is a tough-talking wooden doll with sticky fingers, a bottomless stomach, and a ferocious cunning. With Erg ' s help, Vassa just might be able to break the witch ' s curse and free her Brooklyn neighborhood. But Babs won ' t be playing fair.... An international group of psychoanalysts and film scholars address the enduring emotional legacy of the Holocaust in Cinematic Reflections on the Legacy of the Holocaust: Psychoanalytic Perspectives. Particular focus is given to how second and third generation survivors have explored and confronted the psychic reverberations of Holocaust trauma in cinema. This book focuses on how film is particularly suited to depict Holocaust experiences with vividness and immediacy. The similarity of moving images and sound to our dream experience allows access to unconscious processing. Film has the potential to reveal the vast panorama of Holocaust history as well as its intrapsychic reverberations. Yet despite the recent prominence of Holocaust films, documentaries, and TV series as well as scholarly books and memoirs, these works lack a psychoanalytic optic that elucidates themes such as the repetition compulsion, survival guilt, disturbances in identity, and disruption of mourning that are underlying leitmotifs. Cinematic Reflections on the Legacy of the Holocaust will be of great interest to psychoanalysts and therapists as well as to scholars in trauma, film, and Jewish studies. It is also of interest to those concerned with the prevention of genocide and mass atrocities and their long-term effects.

A brilliant line-up of international contributors examine the implications of the portrayals of Nazis in low-brow culture and that culture's re-emergence today

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It ' s easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway ' s Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn ' t fit in. At five years old, Porter was sent to therapy to " fix " his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter ' s Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now: a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

2017 Bram Stoker Awards Finalist for Superior Achievement in a Young Adult Novel (Horror Writers Association) " Engrossing. Filled with nightmarish dreamscapes and menacing villains, it also treads the tender terrain of family....Highly recommended! " —Kendare Blake, New York Times bestselling author of Three Dark Crowns " Darkly seductive. Sarah Porter ' s writing glitters and her storytelling stuns in this twisted tale of siblings, love, and death. " —Stephanie Garber, New York Times bestselling author of Caraval "Porter offers a poignant consideration of how far we will go for the people we love." —School Library Journal, starred review "A wildly innovative, whip-smart, and utterly spellbinding testament to family, memory, and love—and the messes and miracles of each—poised to possess legions of readers." —Booklist, starred review IN WHEN I CAST YOUR SHADOW, A TEENAGE GIRL CALLS HER BELOVED OLDER BROTHER BACK FROM THE GRAVE, WITH DISASTROUS CONSEQUENCES... RUBY Haunted by her dead brother, unable to let him go, Ruby must figure out whether his nightly appearances in her dreams are the answer to her prayers—or a nightmare come true... EVERETT He ' s always been jealous of his dashing older brother. Now Everett must do everything he can to save his twin sister Ruby from his clutches. DASHIELL Charming, handsome, and manipulative, Dash has run afoul of some very powerful forces in the Land of the Dead. His only bargaining chips are Ruby and Everett. At stake is the very survival of the Bohnacker family, bodies and souls.... "A haunting tale of possession that explores the ghostly landscape of dreams and nightmares—but more importantly, the particular dynamics among siblings, both oppressive and redemptive." —Kirkus Reviews At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

" Oh my human brothers, let me tell you how it happened. " Dr. Max Aue, the man at the heart of Jonathan Littell ' s stunning and controversial novel The Kindly Ones, personifies the evils of the Second World War and the Holocaust. Highly educated and cultured, he was an ambitious SS officer, a Nazi and mass murderer who was in the upper echelons of the Third Reich. He tells us of his experience during the war. He was present at Auschwitz and Babi Yar, witnessed the battle of Stalingrad, and survived the fall of Berlin — receiving a medal from Hitler personally in the last days of Nazi Germany. Long after the war, he is living a comfortable bourgeois life in France, married with two children, managing a lace factory. And now, having evaded justice, he speaks out, giving a precise and accurate record of his life. The tone of his account is detached, lapidary, and for the most part unrepentant, whether he is describing his participation in mass murder on the Eastern Front, his bureaucratic investigations of labour productivity in the death camps, his casual murder of civilians as he tries to break through Russian lines towards the end of the war, or his fervid and convoluted relationship with his twin sister. Over its course, by entwining Aue ' s life with those of historical figures such as Eichmann and Speer, Himmler and indeed Hitler, The Kindly Ones comes to depict the entire architecture of Nazism — from its grandest intellectual pretensions to its most minute, most chilling managerial details and executions. The Kindly Ones presents — with unprecedented realism, meticulous research that is both fascinating and compelling, and brilliant literary accomplishment — the greatest horrors imaginable. " War and murder are a question, a question without an answer, for when you cry out in the night, no one answers, " Aue says. In the same way, this powerfully affecting, powerfully challenging book confronts the reader with the most profound questions about history, morality, and art without offering any easy resolution. Written originally in French, and published now in English for the first time, The Kindly Ones has already sold to date well over a million copies in Europe. In France it won two prestigious prizes, including the Goncourt, and has been compared to War and Peace and other great classics of literature.
