Here is a book you will refer to again and again. Clear, authoritative and as complete as possible, this book will help to open a new world of communication between you the Lord you love.See what others are saying about this great book: "When used through the Holy Spirit, it (this book) can help the reader take away the frustration of not knowing what dreams mean and avoid the dangers of misinterpretation." -Joseph Ewen Founder and Leader of Riverside Church Network Banff, Scotland, UK "This book is a treasure chest, loaded down with revelation and the hidden mysteries of God that have been waiting since before the foundation of the earth to be uncovered." -Bishop Ron Scott, Jr. President, Kingdom Coalition International Hagerstown, MD "The Illustrated Bible-Based Dictionary of Dream Symbols is much more than a book of dream symbols; it has also added richness to our reading of God's Word." -Robert and Joyce Ricciardelli Directors, Visionary Advancement Strategies Seattle, WA

There are More examples of personal prophecy in Scripture than in any other biblical subject. "Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical "how to" guide on what personal prophecy is and what you are supposed to do with it. This book is an absolute must for anyone who has ever heard (or even thought they heard) from God." -- Dr. John Gimenez Jim Jackson, Earl Paulk, Ken Sumrall, Gary Greenwald, Norvel Hayes and Emanuele Cannistraci have also endorsed this manuscript. Read their comments in the front pages of this book. Prophets and Personal Prophecy, God's Prophetic Voice Today, makes incredible strides towards restoring Personal Prophecy to the Church and is the only book of its kind. Topics covered include: Putting Personal Prophecy in proper perspective The nature of Personal Prophecy Decisions of marriage, business and geographic moves Guidelines for handling Personal Prophecy God's purposes for Prophets

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

The Divinity Code to Understanding your Dreams and Visions Stop wondering what your dreams and visions mean!and start living the meanings! The Divinity Code to Understanding your Dreams and Visions is a Bible-based guide to dream interpretation that reveals the mysteries of the Kingdom of Heaven. With this set of Master keys, you can unlock the unseen realm! Led by the Holy Spirit, you can manifest God's Kingdom on earth through Jesus Christ by knowing what your dreams and visions mean. The Divinity Code to Understanding your Dreams and Visions contains: The most extensive Christian dream dictionary on the market (with Scripture support). An important dictionary of names and places. A critical chapter on counterfeit interpretations by the occult. 101 interpreted dreams providing credible evidence. A fascinating metaphor dictionary. Embrace your supernatural communications with God and go deeper into the things

of the Spirit!today!

Price, author of The Prophet's Dictionary: The Ultimate Guide to Supernatural Wisdom, presents a detailed, in-depth outline and discussion of the essential five-fold officers of God's Kingdom and an inside look at their functions, responsibilities, gifts, and abilities.

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. Through Scripture-based meditation, much can be understood about your dreams; but many Christians don't know how to meditate. This problem is addressed in three different ways: Specific, detailed directions are given on how and upon what to meditate. Personal examples of dreams from the author's own experiences. Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God-and those from evil sources.
