Contributors to Theoretical Perspectives on Human Rights and Literature provide a shared history of modern literature and rights; theorize how trauma, ethics, subjectivity, and witnessing shape representations of human rights violations and claims in literary texts across a range of genres (including poetry, the novel, graphic narrative, short story, testimonial, and religious fables); and consider a range of civil, political, social, economic, and cultural rights and their representations ...

Theoretical Perspectives on Human Rights and Literature...

Human rights are universal since they are said to belong to all humans in every society. Human rights are also supposed to be inalienable; because they flow from and protect human existence, they cannot be taken away without endangering the value of that existence. However, these universal and inalienable qualities of human rights are disputable in both their conception and operation.

Introduction to Human Rights Theories

A Theory of Human Rights 1. The relation of rights and freedom In the modern period, freedom has traditionally been conceived as innate and... 2. Implications There are several implications that can be drawn from the above. The first is that freedom is socially... 3. Freedom and culture Given our ...

A Theory of Human Rights | openDemocracy

The UK's ratification, in 1991, of the United Nations Convention on the Rights of the Child (CRC) and the incorporation of the European Convention for the Protection of Human Rights and Fundamental Freedoms (1950) (ECHR) by the Human Rights Act (HRA) 1998, into domestic law, have undoubtedly played their part in achieving this.

Theoretical perspectives (Chapter 1) - Children's Rights...

Global human rights practice, for several political theorists, is a social practice whose participants invoke or rely on human rights as reasons for certain kinds of actions in certain circumstances. They represent reasons that social, political, and legal actors rely on in international arenas to advocate interfering in the internal affairs of a state and to provide assistance to states to promote their protection.

What are human rights? Moral, political, legal theory...

Although the fundamental purpose of human rights is the protection and development of the individual (individual rights), some of these rights are exercised by people in groups (collective rights). Freedom of association and assembly, freedom of religion and, more especially, the freedom to form or join a trade union, fall into this category.

Theories of Human Rights and Justification

the existence, justification, and universality of human rights, the concrete violations of human beings through genocide, torture, disappearances, state policies of starvation, slavery, racism, mass rape, domestic violence against women, and discrimination-- cry out for care of, and solidarity with, victims of oppression. The reasons for studying and teaching human rights were set forth in 1948 in the United
