Hull and Derby saw their coronavirus epidemics almost double in the seven-day spell ending October 25, with seven-day infection rates jumping to 279 and 329 cases per 100,000 people, respectively.

"We need a nation," declared a certain Phillippe Grouvelle in the revolutionary year of 1789, "and the Nation will be born."—from Nationalism Nationalism, often the scourge, always the basis of modern world politics, is spreading. In a way, all nations are willed into being. But a simple declaration, such as Grouvelle's, is not enough. As historian Liah Greenfeld shows in her new book, a sense of nation—nationalism—is the product of the complex distillation of ideas and beliefs, and the struggles over them. Greenfeld takes the reader on an intellectual journey through the origins of the concept "nation" and how national consciousness has changed over the centuries. From its emergence in sixteenth century England, nationalism has been behind nearly every significant development in world affairs over succeeding centuries, including the American and French revolutions of the late eighteenth centuries and the authoritarian communism and fascism of the twentieth century. Now it has arrived as a mass phenomenon in China as well as gaining new life in the United States and much of Europe in the guise of populism. Written by an authority on the subject, Nationalism stresses the contradictory ways of how nationalism has been institutionalized in various places. On the one hand, nationalism has made possible the realities of liberal democracy, human rights, and individual self-determination. On the other hand, nationalism also has brought about authoritarian and racist regimes that negate the individual as an autonomous agent. That tension is all too apparent today.

"The Circle of Knowledge: A Classified, Simplified, Visualized Book of Answers" by Various. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Provides test-taking strategies, a subject review, and two full-length practice tests.

A must-have guide to the AP World History Exam. Timelines, summaries, and key terms lists are included in every chapter, with detailed, full-length practice tests.

Think history is dull? No way, and you're about to find out for yourself. A PEOPLE AND A NATION offers a lively narrative, telling the stories of the diverse peoples in the United States. The authors bring history to life by encouraging you to imagine what life was really like in the past. Focus questions and key terms (with definitions, of course) help you concentrate on important information and easily review it as you prep for tests. And with MindTap for A People and a Nation, you get convenient digital access to an ebook with note-taking and other time-saving features and apps. You'll also explore the people, events and places in the United States through interactive activities, videos, images and maps. Enjoy your journey.

Provides test-taking strategies, a subject review, and two full-length practice tests.

A fascinating and fun look at the Lone Star State's history, culture, and people Texas is the country's second-largest state by size and population. It has a unique and varied history, having been ruled by a succession of nations—from which the term "six flags over Texas" sprang—before becoming an independent republic. From its traditional oil, cattle, and cotton industries to the modern energy, electronics, computer, aerospace, and biomedical industries, Texas has become an economic powerhouse. It's known for its low taxes, diverse population, thriving universities, and art scenes. Exploring the state's fascinating history, people, myths, culture, and trivia, The Handy Texas Answer Book takes an in-depth look at this fascinating and diverse state with the bigger-than-life personality. Learn about the original Indigenous peoples, the Spanish, French, and Mexican colonizations, the independence from Mexico, the ties to the Confederacy and United States, devastating hurricanes, football culture, fast-growing cities and urban sprawl, food, attitude, and much, much more. Tour landmarks from the Alamo and cattle ranches to the Rio Grande and the state capital. Learn about famous sons and daughters, including Lyndon Johnson, Sam Houston, Howard Hughes, Janis Joplin, and Renée Zellweger. Sports (both college and professional) are illuminated. The government, parks, and cultural institutions are all packed into this comprehensive guide to the state of Texas. Find answers to more than 850 questions, including: • What is the origin of "Howdy?" • Where in Texas can you find all three kinds of dinosaur tracks in one place? • Where can gold be found in Texas? • How did we come to have "Dr. Pepper"? • Is it true that Texas's annexation to the United States was never really legal? • How did Texas women get to vote a year before women in the rest of the United States? • What Texan became the most-decorated soldier in World War II? •

Is it true that the only Texas governor to die in office expired in the arms of his mistress? • How did Texas transform from solidly Democratic to solidly Republican? • How did the discovery of Texas oil change the face of American business? • How did rodeos originate? • What was the University of Texas mascot before there was Bevo the Longhorn? • What was the slightly dishonest secret of UT's early success in baseball? • What is so special about the television show Austin City Limits? • What are the "Marfa Lights"? • How many Texas convicts have been freed after proving their innocence with DNA? • What is the Cuero Turkey Trot? Illustrating the unique character of the state through a combination of facts, stats, and history, as well as the unusual and quirky, The Handy Texas Answer Book answers intriguing questions about people, places, events, government, and places of interest. This informative book also includes a helpful bibliography and an extensive index, adding to its usefulness.

Are you looking for a journey that will take you through this amazing obok, along with funny comments and a word puzzle? Then this book is for you. Whether you are looking at this book for curiosity, choices, options, or just for fun; this book fits any criteria. Writing this book did not happen quickly. It is thorough look at accuracy and foundation before the book was even started. This book was created to inform, entertain and maybe even test your knowledge. By the time you finish reading this book you will want to share it with others.
